

ACE SENIOR KINDERGARTEN

WELCOME

In April we will be taking Standardized Testing. A good night's sleep and a healthy breakfast will help your child during the week of testing.

DON'T FORGET!

April 3-7: Standardized Testing

April 7: Report Cards Go Home

April 7: Easter Dress Up Day
(students may wear dressy clothing)

April 10-14: EASTER BREAK - NO SCHOOL!

April 16: Celebrate Easter! Christ LIVES!

April 17: School Resumes

April 18: Open House for Non-registered Families, 10:00 a.m. - 2:00 p.m.

April 28: Casual Day *(students may wear modest casual clothing)*

SPELLING

The new Spelling list will be sent home every Thursday. Students are to copy each spelling word neatly and correctly. Spelling tests will usually be given on Thursdays as part of the Phonics test. There will be a separate grade on our phonics test for Spelling.

April 20 - List 23

April 27 - List 24

BIBLE

Verse W: " *What time I am afraid, I will trust in Thee.*" Psalm 56:3

Verse X: " *Exceeding great and precious promises are given unto us.*" 2 Peter 1:4

Verse Y: " *Ye are the light of the world.*" Matthew 5:14

PENMANSHIP

Students will continue working on creative writing. They will learn how to write a friendly letter. Students will be tested on penmanship every Tuesday.

HOMEWORK

Homework is not an option: it does impact your child's grade. Reading Homework as assigned/ Spelling List (Thursdays)/ Spanish & Technology (Fridays)

LETTERS / PHONICS

In Phonics we will :

- Learn Contractions
- Introduce Chart 13
- Review Placing Words in Alphabetical Order
- Review Suffix Rules
- Review Adding Prefixes/Suffixes to a Root Word
- Review Rhyming Words
- Review Identifying the Number of Syllables in a Word
- Review Charts 9 - 13
- Review Identifying /Circling Special Sounds

SCIENCE

In Science, we will learn about:

- Matter
- Sound
- The Sun, Moon, and Stars

MUSIC

Did you know...?

Research has found a causal link between music and spatial intelligence, which means that understanding music can help children visualize various elements that should go together, like they would do when solving a math problem. These skills come into play in solving multistep problems one would encounter in architecture, engineering, math, art, gaming, and especially working with computers.

This month in Music Classes:

- Students will listen to music from historic musicians such as Bach
- Students will explore different music to refine skills of high, low, fast, and slow
- Students will review form of music, i.e. AB Form
- Students will continue learning music for the Spring Program
