
ACE Summer Camp 2018

We are ENGINEERING a GREAT summer at ACE Summer Camp this year!

Ranked by Northern Virginia Magazine among the Best Summer Camps in Northern Virginia, ACE is getting ready for another exciting summer and we hope you will join us!

This summer we are gearing up for fun and learning through our STEAM based camp program - where each week will be devoted to one of the elements of STEAM.

Campers will enjoy weekly field trips reinforcing the topic of the week, academic activities, critical thinking challenges, problem solving adventures, water activities, crafts, games and much, much more as they fuse fun activities with academic enrichment and development.

ACE's 8-week, jam-packed STEAM Camp will run from **Monday, June 18th through Friday, August 10th for students 3 years old to 6th grade**. Campers are welcome to attend any or all weeks. Join us for a summer of STEAM and see why ACE is the place to be for summer fun!

Don't miss out on the fun! Space is limited, so please register early.
